

**Greaney Concrete Products Ltd.,
Stokesfield,
Shanagolden,
Co. Limerick**

17

Notified Body No. 1289

I.S. EN 845-2:2013

**Lintel Type: 4" x 3" Prestressed Lintel
Composite intended to be used in masonry walls**

Load Bearing Capacity: Refer to Greaney's Lintel Load Span Table.

Water Absorption: NPD

Water Vapour Permeability: 50/150 (Table A.3 EN 1745:2012)

Mass per unit area: 240 kg/m²

Thermal resistance: Thermal conductivity $\lambda_{10, dry} = 1.52$ W/mK (Table A.3 EN 1745:2012)

Resistance to Fire: R30 (Table 5.5 IS EN 1992-1-2)

Durability (against corrosion): C2 (Table C.3 IS EN 845-2:2013)

Durability (against freeze/thaw): Resistant
