

Tile Kit

TL-KT

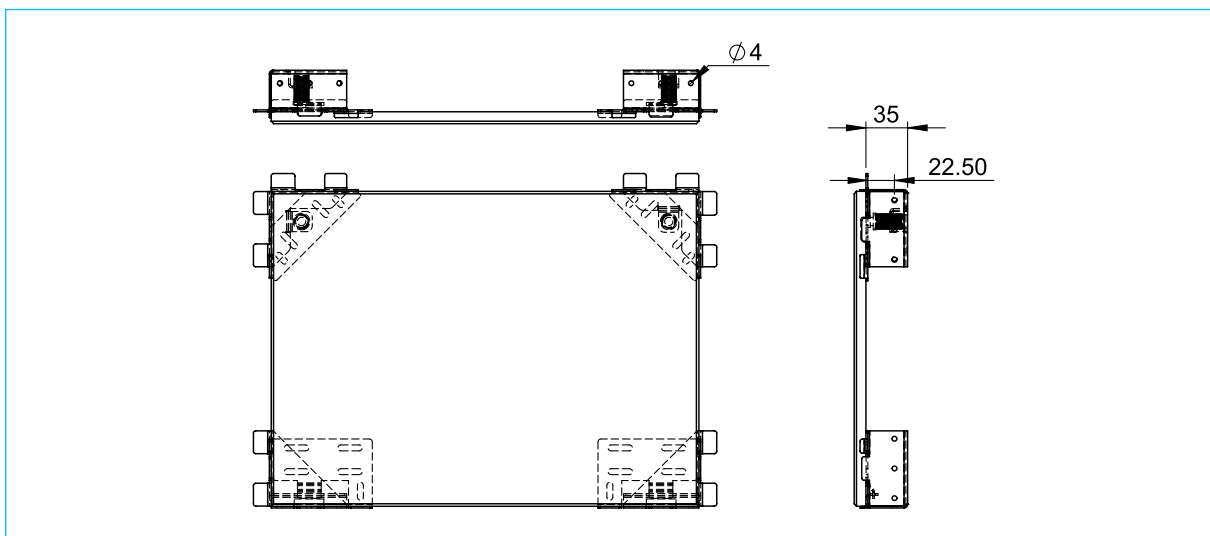

The revolutionary new kit for a single tile, solves the problem of access through grouted tiles, without detracting from the finish of the tiled area.

Blending seamlessly into the tile surfaces, providing an opening to concealed building & plumbing services.

The popularity for expansive tiled areas in modern bathrooms, kitchens and utility rooms has grown and we offer the perfect kit solution for single tiles.

The TL-KT Access Panel Kit is easy to fit by following the instructions or video (see website). The door operates on slotted hinges and twin touch latches. The door is fully removable for a larger clear access to services.

- Matching finish, concealed panel
- Uses tile to create the hidden door
- Twin magnetic sprung touch release
- Suit for all size doors from 130mm up to 600mm
- Maximum tile weight of 4.5kg
- Cost effective solution for access
- GB1712149.2 patent number
- Bottom hinge side only
